The Nomination Committee's proposals to the annual general meeting, the work of the Nomination Committee and its reasoned statement regarding its proposals for board members in Truecaller AB

The 2023 Nomination Committee of Truecaller AB ("**Truecaller**") has consisted of Sven Törnkvist (chairman), appointed by Alan Mamedi, Kamjar Hajabdolahi, appointed by Nami Zarringhalam, Piyush Gupta, appointed by Sequoia Capital, and Bing Gordon, chairman of the board of directors.

The Nomination Committee and its work

Ahead of the annual general meeting 2023, the Nomination Committee has held two meetings where minutes have been kept, and has also had several informal contacts. The Nomination Committee has been provided with an introduction to Truecaller by the chairman of the board of directors, including a review of the evaluation of the work of the board of directors. The Nomination Committee has also spoken with all of the board members individually. Particular attention has been paid to the composition of the board and how the board functions as a group.

The Nomination Committee has discussed the evaluation of the work of the board of directors. The Nomination Committee has also decided on the remunerations for the board of directors, the Audit Committee and the Remuneration Committee.

The Nomination Committee's proposal for chairman of the annual general meeting

The Nomination Committee proposes that the chairwoman of the Audit Committee, Annika Poutiainen, is appointed as chairwoman of the annual general meeting.

The Nomination Committee's proposals for board members

The Nomination Committee proposes that the board of directors shall be composed of six (6) board members. Furthermore it is proposed that the board members Bing Gordon, Alan Mamedi, Annika Poutiainen, Helena Svancar, Nami Zarringhalam and Shailesh Lakhani shall be re-elected.

Finally, the Nomination Committee proposes that Nami Zarringhalam shall be elected as new chairman of the board of directors, replacing Bing Gordon who has asked to be relieved of that position due to time constraints. Bing Gordon has been the chairman since 2021, and has in that capacity been instrumental in Truecaller's developments as a public company. He is however based in the western US, which in his capacity as chairman entails more travelling than he can accommodate at this time. Nami Zarringhalam preceded Bing Gordon as chairman between 2018-2021 leading up to the company's IPO and has deep insights into the company's strategy and operations, and has accepted the nomination. The Nomination Committee concludes that nominating Nami Zarringhalam is in the best interest of the company and its shareholders.

Reasons for the proposals

The Nomination Committee has, to assist in its work, received an evaluation of the board of directors and its work based on a survey directed at all current board members. The size and composition of the board of directors with regard to, inter alia, industry expertise and competence, has been discussed. The Nomination Committee has in its work ahead of the annual general meeting aimed to ensure that the board of directors possesses the competence and experience necessary, taking into account the operations as well as the

current developmental phase of Truecaller, in order for the board to continue to successfully manage the company. The Nomination Committee has, in particular, valued the board's need for diversity and breadth with respect to competence, experience and background, considering, among other things, the company's strategic development, management and control.

The Nomination Committee has discussed perspectives on competence diversity based on the view that such diversity is essential in deciding on the composition of the board of directors. The Nomination Committee has applied section 4.1 of the Swedish Code of Corporate Governance (the "**Code**") as its diversity policy. The Nomination Committee is of the opinion that the proposed board members represent a broad and diverse group of informed persons, well-motivated and fit for the tasks to be carried out by the board of directors of Truecaller. The Nomination Committee is also of the opinion that the board members complement each other well with respect to competence and experience. The proposed board comprises four male and two female members, i.e. a proportion of thirty-three per cent female members.

The Nomination Committee works in accordance with the requirements set out in the Code. The Nomination Committee has, after assessing the independence of the proposed board members, found that the Nomination Committee's proposals meet the requirements of independence set out in the Code.

A closer presentation of the proposed board members (including the Nomination Committee's evaluation on independence) can be found on <https://corporate.truecaller.com/> and in the annual report.

Furthermore, the Nomination Committee has, together with the board of directors, discussed the importance of the company working with sustainability in an informed and productive manner.

The annual general meeting instructs a board member appointed by the board of directors, to contact the three largest shareholders or groups of shareholders in terms of votes (this refers to both directly registered shareholders and nominee registered shareholders), according to Euroclear Sweden AB's transcript of the share register as of 30 September 2023, each appointing a representative to, together with the appointed board member, constitute the Nomination Committee for the period until a new Nomination Committee has been appointed in accordance with a mandate from the annual general meeting 2024.

In the event that one of the three largest shareholders or groups of shareholders does not wish to appoint such a representative, the fourth largest shareholder or group of shareholders shall be consulted and so on until the Nomination Committee consists of four members (including the appointed board member).

The majority of the members of the Nomination Committee shall be independent in relation to the company and the company's management. Board members may be members of the Nomination Committee but shall not constitute a majority of its members. If more than one board member is a member of the Nomination Committee, no more than one of them may be dependent in relation to the company's major shareholders.

The Nomination Committee appoints the chairman of the committee among themselves. The appointed board member or other board members shall not be chairman of the Nomination Committee.

The composition of the Nomination Committee shall be announced no later than six months before the annual general meeting 2024.

If one or more shareholders who have appointed representatives to the Nomination Committee no longer belong to the three largest shareholders in the company at a time more than two months before the annual general meeting, the representatives of these shareholders shall resign from their duties and new members shall be appointed by the new shareholders who then belong to the three largest shareholders.
