OUR VISION

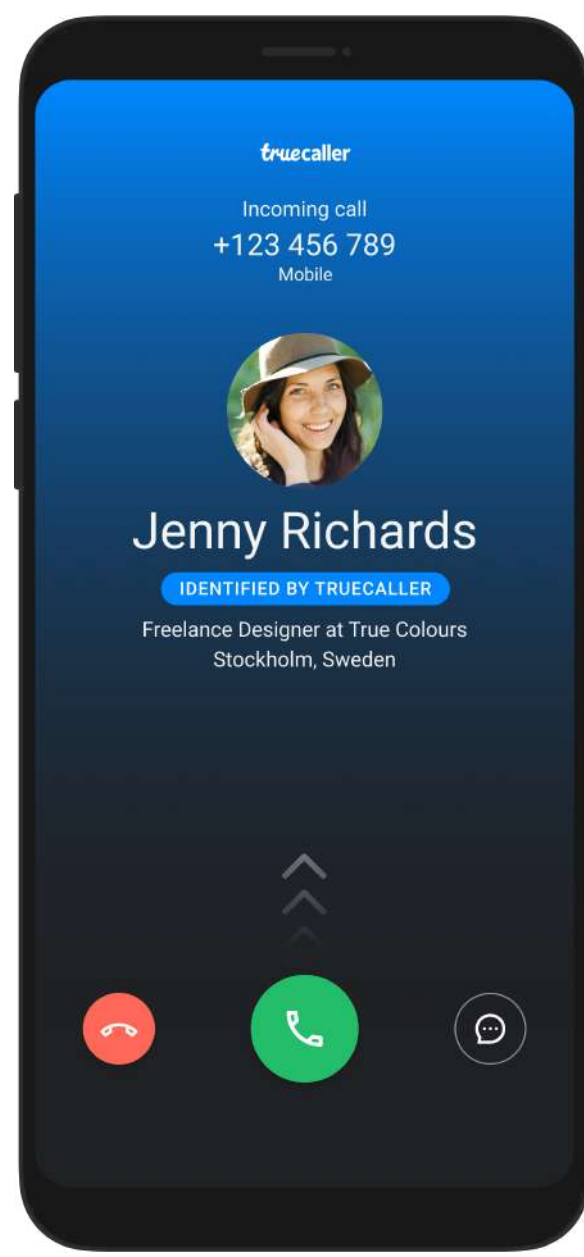

Making tomorrow's communication smarter, safer and more efficient

Truecaller is the leading global platform for verifying contacts and blocking unwanted communication. We enable safe and relevant conversations between people and make it efficient for businesses to connect with consumers. We are on a mission to build trust in communication.

Truecaller enables safe and relevant conversations between people...

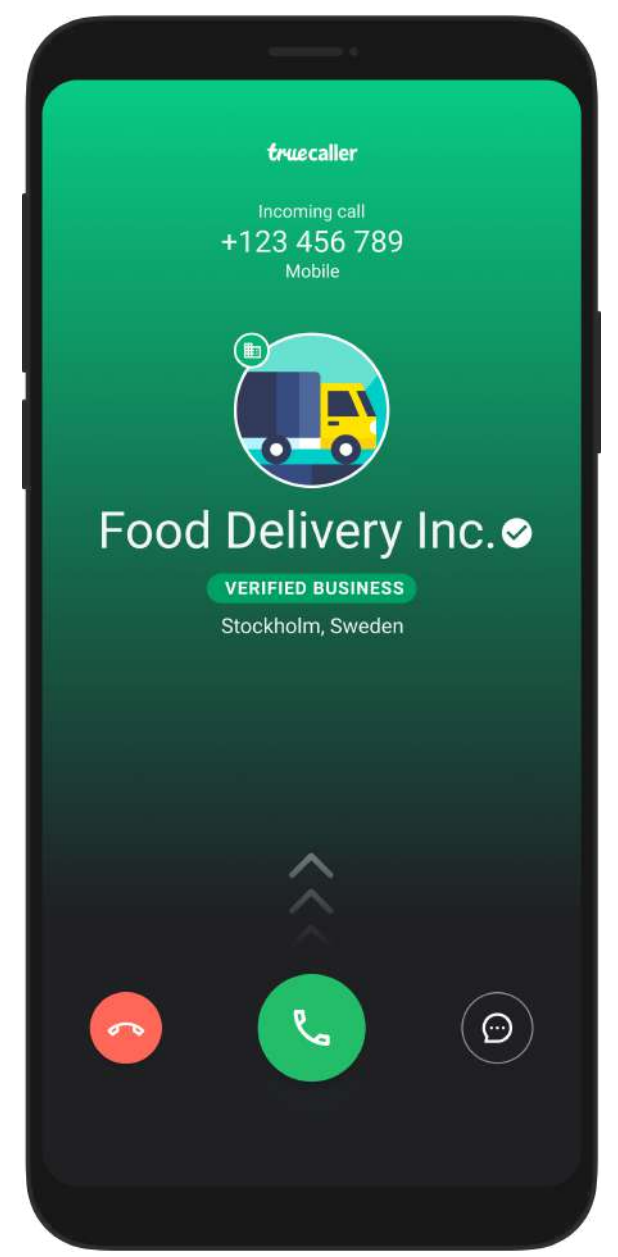

- ✓ The smartphone is the primary gateway to the digital economy.
- ✓ In 2021, smartphone user base skyrocketed to 3.4 billion globally as connectivity and affordability improve in emerging markets.
- ✓ The next digital wave will add ~700m smartphone users by 2025. ~400m will be in core Truecaller markets.

...and make it efficient for business to connect with consumers.

We help business with:

- ✓ Verified identification and authentication APIs
- ✓ Improving pick-up rates
- ✓ Ultimately converting conversations into transactions

Fraud is growing on a global scale...

- ✓ Fraud and unwanted communication have accompanied digital growth, creating nuisance, mistrust and hindering economic activity.
- ✓ We estimate that ~20bn USD is lost to online payment fraud yearly.*
- ✓ On average, 1 in 4 calls and 6 messages each day are from outside of phonebooks, resulting in hesitation to respond.
